

The William Breman Jewish Home

As a long-term care facility dependent on private contributions, The [William Breman Jewish Home](#) not only serves as a home-like environment for the elderly and disabled, it also promotes alternative transportation. For the last six years, the home has provided a benefit to employees who choose public transportation by offering

discounted MARTA cards through paycheck deductions.

Mark Spieler, business office coordinator for the home, says employees are pleased with the ease of the process and find it easy being green.
